Supported by the Friends of Geelong Botanic Gardens

'BOTANIC ART MERCHANDISE AND FRAMING' WORKSHOP

Focusing on the advantage of scanning art work to produce merchandise encompassing:

- Email, downloads, professional scans, USB
- Duplicating, cropping, adjusting exposure and colour
- Use of online Photoshop
- Designing and producing your merchandise
- Printing companies

The second segment of the workshop will be looking at the different possibilities for successful framing, so bring some unframed artwork to discuss problem solving.
