

# THEMED WALKS -2018

## **Our Multi-Cultural Garden**

Since the 1850's Geelong Botanic Gardens has displayed a rich and diverse collection of plants. Our first Curator Daniel Bunce introduced exotic and Australian plants and this practice continues today.

**Sunday February 11, 2.00 pm**

## **Silver and Gold**

The Silver and Perennial Borders are at their best in autumn, and among their collections we can find stunning choices for home garden design.

**Sunday March 11, 2.00 pm**

## **Seeds: Capsules of Life**

Life itself is concentrated in a seed. Explore the world of seeds with your GBG guide and discover some of the fascinating methods plants use to disperse their seeds.

**Sunday April 8, 2.00 pm**

## **The First Australians: Wathaurong Country**

What happened when Europeans arrived in Wathaurong country? Find out how our first peoples lived, see the plants they used and hear how white immigration affected their lives and culture. Join your guide at the front gate of Geelong Botanic Gardens.

**Sunday May 13, 2.00 pm**

## **Spices, Tastes and Flavours**

**Sunday June 10, 2.00 pm**

## **A Walk in Eastern Park.**

**Special invitation to FGBG members to lunch in EP the Walk**

**Sunday July 8, 2.00 pm**

## **Flowers of the Island**

**Sunday August 12, 2.00 pm**

## **Plants from China**

**Sunday September 9, 2.00 pm**

## **Australian Plant at the Geelong Botanic Gardens**

**Sunday October 14, 2.00 pm**
