# EVENT

## AUSTRALIAN HERITAGE FESTIVAL GUIDED WALK GEELONG'S REMARKABLE GARDEN

Geelong Botanic Gardens, established in 1851, is the fourth oldest botanic garden in Australia. The first curators were avid plant collectors and many of the splendid trees they planted now have heritage status. Several historic structures have also found a home here, including some 'curiosities'. Gold coin donation.

**Sunday 21 April**

**2.00 pm**

**Meet your Guide at the Front Gates of  
Geelong Botanic Gardens**
