

GUEST SPEAKER @ GBG

BETH ROSS

‘INDIGENOUS PLANTS of the BELLARINE’

Monday 25 February, 5.30 pm for a 6.00 pm start.

Join the Friends to hear Beth Ross give an illustrated talk on Revegetation and restoration on the Bellarine.

A teacher in Conservation and horticulture at the Gordon. An active member at Bellarine Landcare Group and works with 3 local Friends of groups and provides free consultation with Parks Victoria. She also has a small seed collecting contract with Australian Ecosystems. Beth will cover her role in the Bellarine Landcare Group, the Bellarine Secondary College Landcare Nursery and discuss some examples of local wildflowers and their special significance.

Held in the meeting room \$5 members or \$10 non-members.
